

Best New Porcelain Lanterns

BY JEN MURPHY, TRAVEL EDITOR

RELATED CATEGORIES: [ENTERTAINING](#), [STYLE](#), [DESIGN](#)

Brooklyn-based designer [Alyssa Ettinger](#) has just introduced gorgeous lanterns made from translucent porcelain, which give off a firefly-like glow when a votive is added. The molds are hand-cast from antique mason jars; a thin wire handle makes them perfect for hanging at backyard barbecues. They're available on [Etsy](#).
